ACADEMICS

Fr. Pazera made St. Rita Prior in 'Year of change'

Fr. Casmir Pazera was appointed Prior of the St. Rita religious community in what he calls "a year of change at St. Rita."

In the past it has been the role of the Prior to direct the activities of the religious members of the St. Rita school and monastery, but according to Fr. Pazera changes will be voiced by the community and it is the job of the Prior to enact those changes.

Along with his duties as Prior, Fr. Pazera was moderator of the Radio Club, and taught Data Processing and Advanced Physics.

Left Assistant Principal, Fr. Richard Allen, left St. Rita in late March for a new assignment as principal of an Augustinian high school in Tulsa, Oklahoma. Until then he helped manage school academic affairs as well as moderating the Mother's Club and teaching one Theology I class.

Below Fr. James McCloskey, who had been at St. Rita since 1965, was school procurator. Although he did not teach this year, he has a B.A. degree from Villanova.

Above Fr. William Thomas was vice principal in charge of discipline, working mainly with freshmen and sophomores. In his free time Fr. Thomas is moderator of the Father's Club.

Left Fr. Dominic Caniglia, who holds a B.A. from Villanova University, was assistant disciplinarian in charge of juniors and seniors. In his spare time he enjoyed photography and stamp and coin collecting.

Administrators 'supply needs'

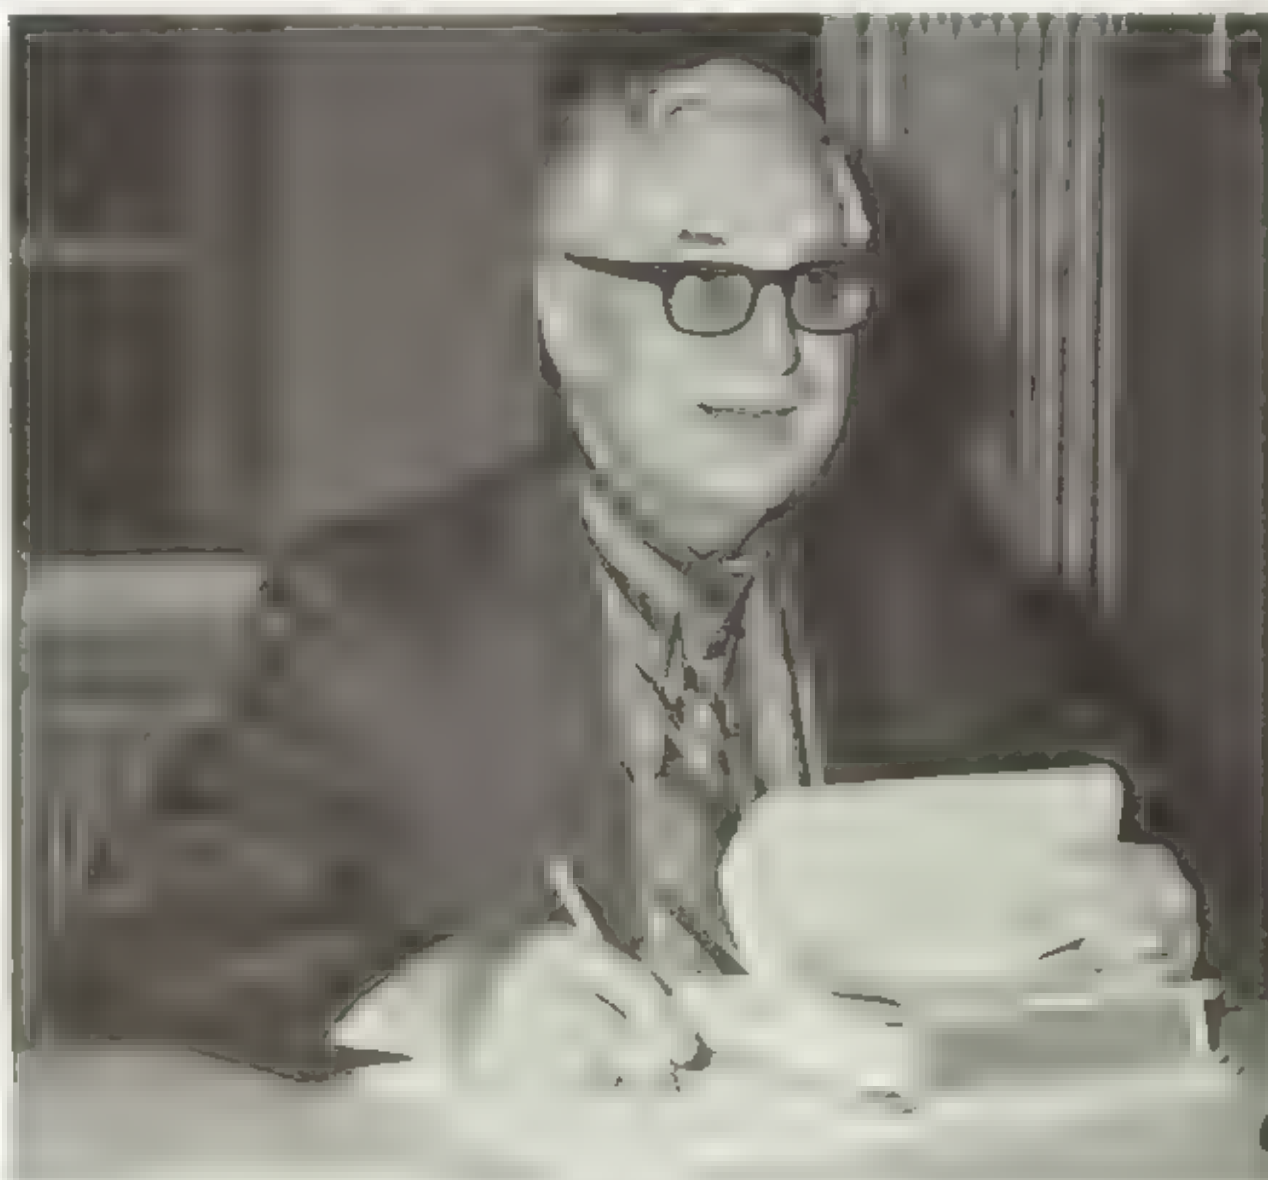

The St. Rita Board of Administration's expressed purpose is "to supply all the major needs of the student as well as develop his total being." To fulfill this general goal the administration is divided into six branches headed by vice principals: Activities (Mr. John Erb), Studies (Fr. Richard Allen), Athletics (Fr. Donald Lewandowski), Religious Affairs (Fr. Walter McNicholas), Discipline (Fr. William Thomas), and Guidance (Mr. Roman Zalatoris).

While each vice-principal works in his own area, the administration as a group discusses proposals involving the total school as well as student council proposals, which this year led to re-vamping of the formerly strict dress code.

Mr. Thomas Schevers, waiting for a good pitch in a pick-up softball game, was freshman counselor. He holds an A.B. from Loyola University and did graduate work in education and psychology. He also taught Theology III.

Mr. Roman Zalatoris was chairman of the guidance department and senior counselor. He holds a M.Ed. degree in counseling and prepared for this year by taking courses at the Alfred Adler Institute in Adlerian counseling. Mr. Zalatoris, who has been at St. Rita since 1956, is member of his parish school board and is interested in bowling and cards.

Counselors aid 'unsure' students

The guidance department, directed by Mr. Roman Zalatoris, accepted the job of "offering assistance in matters in which the student is unsure of himself or incapable of performing without aid," according to Mr. Zalatoris.

This job not only involved academic counselling, but also personal counselling of a troubled student. Working towards these purposes, Mr. Zalatoris, who also acted as senior counselor, Fr. Roland Follman, junior counselor, Fr. Walter McNicholas, sophomore counselor and Mr. Thomas Schevers and Mr. John Noe, freshmen counselors, tried to eliminate any fear that students may have with regard to seeking guidance by calling each student personally to discuss his problems.

Fr. Roland F. Follman, junior counselor holds a M.A. in sociology from Villanova University, and specialist certification from DePaul University. He had previously been at St. Rita in 1960-64 and returned in 1971.

Mr. Jon Noe, a newcomer to St. Rita, belonged to the Guidance department. He holds a B.A. in psychology from North Central College and is completing his M.S. in counselor's education at Northern Illinois University. In his spare time he enjoys watching and participating in football, basketball and competitive games.

Fr. Walter McNicholas did counseling work and taught senior theology. As chaplain, he was a member of the administration and coordinated the religious program of the school. He holds an S.T.L. degree from the Georgian University.

Theo. Dept. airs future problems

The theology department was under the direction of Fr. Donald Lewandowski. He has directed the Theology Department's programs "related more to present day society, particularly in the senior and sophomore courses. Both courses included discussions relating to "coping with..."

In the sophomore course, classes discussed racial problems, the general drug gap, and the drug scene. From these discussions, students were to try and derive positive, constructive insights. The second semester of the senior course was expanded with discussion of marriage and related problems that students will encounter once in high school. According to Fr. Lewandowski, the marriage course was to help the student cope with his future in a way that "he knows what will face him."

Theology courses also included a look at other religions as Buddhism, Hinduism, and Presbyterianism with Roman Catholicism.

In the future, the Theology Department will have classes more than just two or three times a week.

Rev. Donald Lewandowski, O.S.A., was the Chairman of the Theology Department, Athletic Director and Moderator, and the Pep Club Moderator. He is a graduate of Tolentine College and came to St. Rita in 1970. He enjoys sports and reading.

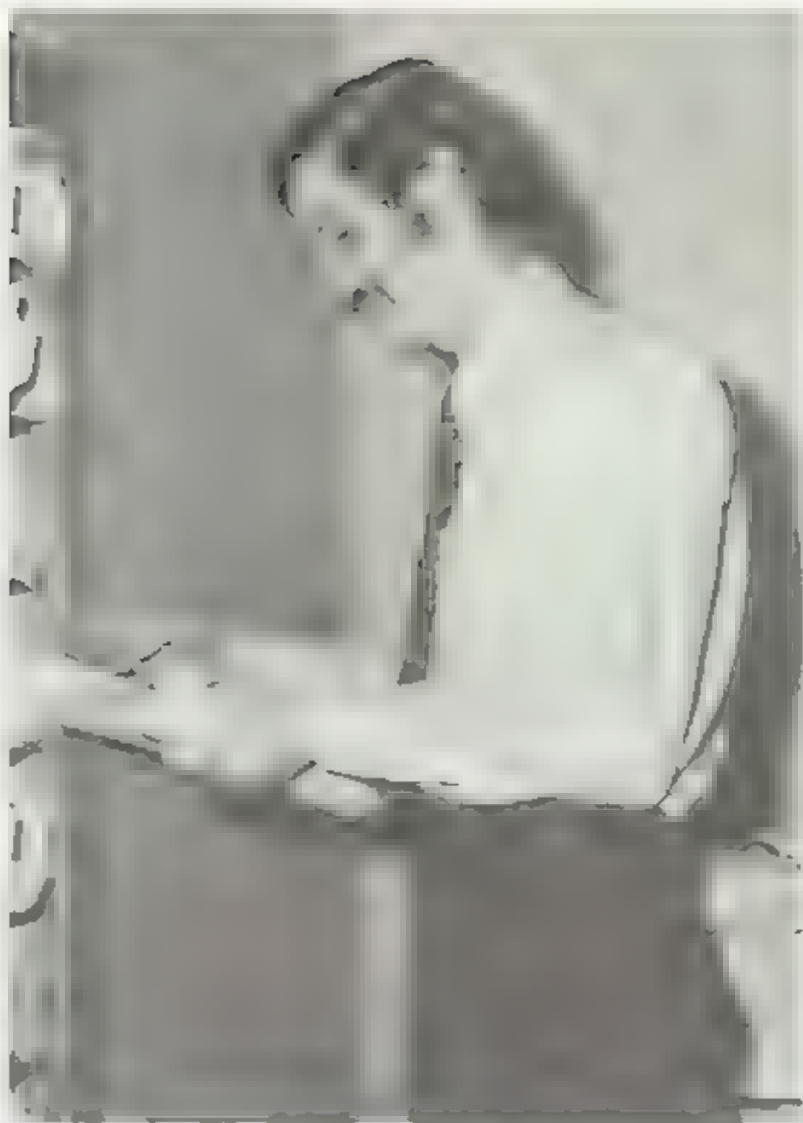

Mr. John (J) Malley taught both theology and English. He is a graduate of St. Mary's College in Winona, Minnesota. His interests lie in psychology and philosophy.

Mr. Patrick Murphy, O.S.A., came to Rita in 1971 to teach Theology I, II, and III and to moderate the Missions. He is a graduate of Tolentine College.

Rev. Leo Cavanaugh, O.S.A., has been at St. Rita since 1951. He is a graduate of Boston College and has done graduate work in economics at the Catholic University. He enjoys sports.

He came to St. Rita in 1971 to teach Theology III and IV. He has a B.A. degree in political science and history and

Fr. Edward Phelan, O.S.A., teaches Theology II and III. He did his degree work at Notre Dame and De Paul and has been at St. Rita for three years.

Fr. John Molnar has been at Rita for a year and taught Theology IV and Latin I. He received his master's degree in theology from Notre Dame University.

Fr. Edwin Kuczynski, O.S.A., came to St. Rita in 1968, and taught Theology I. He received an M.A. degree from the Catholic University. His interests lie in

Modern films added to all English classes

Films of two types in all classes added a new dimension to English classes. Some of the films were teaching films in which the narrator was presenting new material to the students, while others were art films used by the classes for analysis. This approach was so successful that according to Dr. Donald Racky, department chairman, there will be a regular film study class next year.

Mr. James Boro, who taught freshman and sophomore English classes took, a radical step, with department backing, to help below average freshmen. Mr. Boro changed the reading list for his classes, adding experimental pamphlets and replacing some of the harder works with readings of less difficulty. During department meetings Mr. Boro argued in favor of simplifying some aspects of the underclass reading lists.

Junior English teachers eliminated the traditional literature book, preferring to analyze outside reading more carefully.

Senior advanced placement students showed signs of "getting back into form" according to Mr. Racky, after what he termed the "disappointing showing" of last year's class in which only fourteen students scored in the college credit level. Mr. Racky expected at least twenty scorers this year.

Mr. Edmund Brongiel was in his sixth year at St. Rita and taught English I and II. He holds a A.B. degree from Loyola University and has done graduate work at Northwestern University. In his spare time he enjoyed reading.

Mr. Donald Racky was chairman of the English department. He taught Advanced High School English and English III, moderated the Ritan and National Honor Society, and still had time for his hobbies which include traveling, talking, golf, reading and camping. He holds a Ph.D. from Loyola University.

Left Mr. James Boro was in his second year at St. Rita. He taught English I and II as well as German I and II. He holds a B.A. degree from Northwestern University and was interested in subjects ranging from modern literature to psychoanalysis.

Above Mr. Ted Morant was in his fifth year at St. Rita. He taught English IV and Speech I. During the year Mr. Morant moderated the competition for graduation speakers and was Mustang hockey coach, winning the Tony Lawless award as Coach of the Year. He holds a B.A. degree from Loyola University and was interested in sports, photography and drama.

Mr. Donald Mrozek was in his second year at St. Rita after teaching nine years at Mt. Carmel high school. He taught English I and II and was interested in sports, especially football.

Right: Mr. Jack Lurd has been at St. Rita since 1969 and taught English IV. He holds a B.A. degree from Butler University and was assistant football coach on the city championship Mustang football team.

Below, right: Mr. Thomas Novotny came to St. Rita in 1971 and holds a B.A. degree from Lewis College. In his spare time Mr. Novotny is an assistant hockey coach and teaches a Saturday jug class, besides being interested in firearms and camping.

Below: Mr. Titus Bueks taught English III and IV. He has been at St. Rita since 1966.

Mr. J. J. O'Connell, principal of St. Rita's High School, is seen here with a book.

Mr. J. J. O'Connell, principal of St. Rita's High School, is seen here with a book.

Mr. J. J. O'Connell, principal of St. Rita's High School, is seen here with a book.

Science adds 'humanistic' project physics

Above Mr. Ronald J. Dvorak has been teaching Physics since 1963 at St. Rita. He is the chairman of the Science Department and the moderator of the Chess Club. He received his M.A. from Notre Dame University. Mr. Dvorak enjoys playing bridge.

Project Physics was a new course offered by the St. Rita Science Department. This course was designed for students who wanted to take a physics course but felt weak in mathematical background. Taking a more humanistic and historical approach to physics, the course utilized a special textbook, lab manual, course handbook, and a set of "readers" containing historical readings dealing with special topics. As with the regular physics classes, film loops, movies, and transparency projections were used to supplement the written texts.

Honors physics classes had two double lab periods instead of the traditional one lab per week. A new teacher, Fr. Martin Sobieski, taught Chemistry, while two new biology teachers, Mr. Robert Garsiecki and Mr. Viktor Glodder were added. Mr. Lloyd Ottenstrauer, another new teacher, taught Physical Science. The Biology lab added a full size skeleton to its equipment along with twenty three new microscopes.

Biology students also made a good showing at the annual state science fair held in Urbana, winning one outstanding and one first award. School winners Steve Doody, John Sitasz, Bruce Haugh, Ed Vohasek, Vytautas Bindokas and Dave Gryksa went to the Chicago Science Fair and then to Urbana where Doody copped Outstanding and Sitasz and Vohasek took Firsts.

"Lab Assistants" in Mr. Dvorak's MPS class help distribute equipment before experimenting begins and perform other useful chores around the lab.

Rev. Martin Sobieski returned to St. Rita this year to teach chemistry to the sophomores and seniors. He attended Villanova University and has a M.S. degree.

Mr. John Clifford has recently received his master's degree in geography from Chicago State. He has been at St. Rita since 1967 and taught Earth Science. In his spare time Mr. Clifford is involved in helping coach the hockey team.

Left: Mr. Sigmund Eisenschenk has been at Rita since 1969 and taught Project Physics this year. He was also moderator of the yearbook. In his spare time he enjoys traveling.

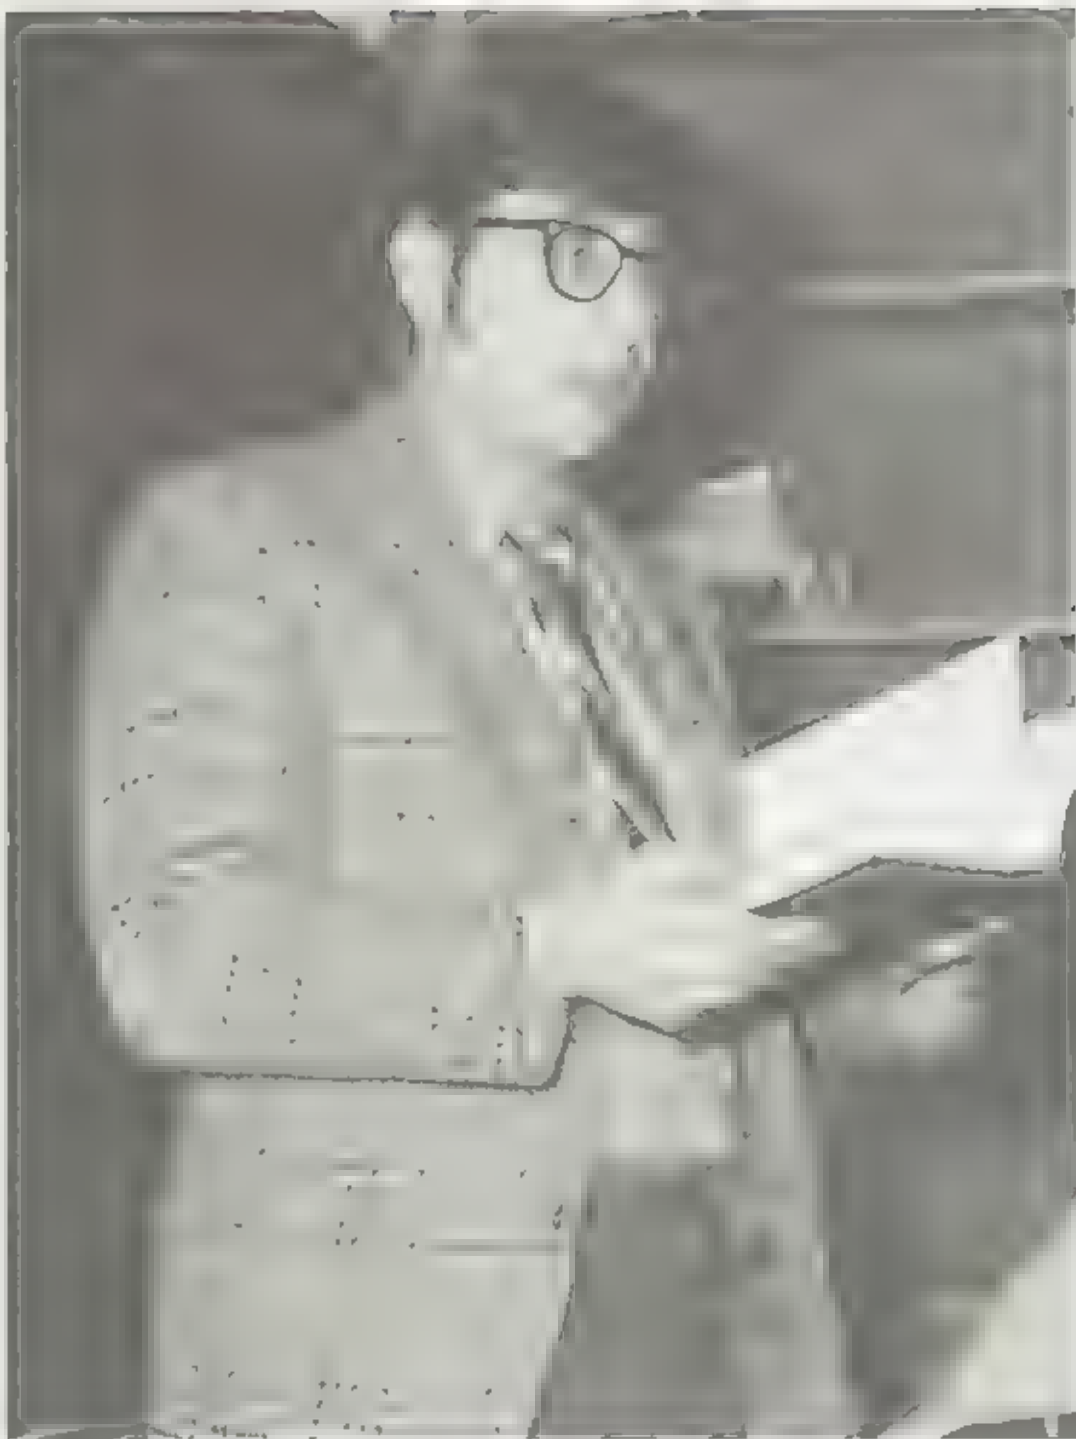

Above: Chemistry students must wear protective goggles to shield their eyes from the possible damage that a rare explosion might cause.

Mr. B. Glaxer taught Biology to freshmen. He came to St. Rita in 1971 with a bachelor's degree from Chicago State University. He enjoys fishing and hunting.

Below: The microscope is among the most frequently used tools of the biology student. With it he can study life on the microscopic level.

Mr. Robert Gasiacki was a newcomer to St. Rita. He graduated from Western Illinois University and taught Modern Biology. He enjoys hunting, fishing, and water skiing.

Mr. Lloyd Offenstroer came to St. Rita after graduating from DuPaul University in 1971. He taught Modern Physical Science and Algebra. He enjoys skiing, has a band, and teaches music.

Right: Mr. Joseph Bamberger was chairman of the Department and taught U.S. History and World Problems. He holds a B.S. degree in History and a M.Ed. degree from Paul University. He is Chairman of the Midwest Augustinian Schools member of the Superintendents Council of the Augustinian Board of Education and is

and Medieval History holds a M.A. degree from Loyola

New courses bring projects, speakers, research

Mr. Ronald Nowak taught Ancient and Medieval History, Advanced European History, and Civics. He holds an M.A. degree from Loyola University and is assistant basketball coach in charge of the flyweight and Bantamweight teams.

The social studies department, directed by Mr. Joseph Bamberger, added two new courses in the junior and senior level. Sociology, taught by Mr. Thomas Cappel, was open to juniors and seniors. Using the text as a springboard into discussions, sociology classes talked about social problems including racism, crime and drug abuse, using student projects to provide deeper information.

These projects took on practical angles in the school; one project consisted of a survey of students to get their opinions on their ways of dressing and the school dress code. The student council then used this survey as part of their argument to modify the dress code. Guest speakers to sociology classes included a member of Alcoholics Anonymous and a former drug addict.

Honors seniors were allowed to take Advanced European History, preparing themselves for the College Board Advanced Placement Test. Taught by Mr. Ronald Nowak, the European history class used the library to research topics based on previous Advanced Placement test topics, as well as learning the facts of the time. This course replaced Advanced U.S. History which in previous years had had good success in Advanced Placement results; last year two students scored the highest grade possible.

Juniors continued to take U.S. History and regular seniors learned Contemporary U.S. History and World Problems. Sophomores studied American Government and European History of Geographical Concepts taught by Mr. David Kernwein who had received his M.S. degree this year.

Mr. Ado Rugai taught World Problems and Contemporary U.S. History. He has a M.A. degree from Loyola University and is interested in communication with today's teen-agers.

Above: Mr. David Kernwein taught World Geography and Geography Survey. He holds an M.A. from Chicago State College, and has done further graduate work at Northern Illinois University.

Left: Mr. Thomas Cappel, who taught Sociology and U.S. History, holds a B.A. degree from De Paul University and is assistant basketball coach. He has also done graduate work in sociology, and is interested in sports and folk music.

ALAN ...

ALAN ...

ALAN ...

Mr. Louis Ricci, an alumnus of St. Rita, has been band director since 1957. He holds a B.S. degree from DePaul University and teaches at Kennedy High School.

Music class found 'true value'

The Music department, whose goal was to bring out the true value of music to St. Rita students, was headed by Bro. Mark Thedens. This goal was achieved, according to Bro. Mark, in three ways.

The St. Rita Marching Mustangs school band directed by St. Rita alumnus Mr. Louis A. Ricci, provided music for school functions and provided half time entertainment during

the football season.

The Chorus, directed by Bro. Mark, "helped students to find the true meanings to lyrics and the music in a song," according to Bro. Mark.

Freshmen and sophomores were offered a Music appreciation course taught by Bro. Mark stressing listening and understanding of all types of music.

Above: Bro. Mark Thedens taught Spanish I, III, and IV and Music, besides being chairman of the music department. He holds a B.A. in philosophy from Villanova University and a B.A. degree in music from St. Joseph College. He is also moderator of the chorus.

Left: Mr. Robert Black instructed the Ritarettes and planned the band's half time shows. Mr. Black was also the band announcer.

Right Touch football is part of the fall physical education scene

Below In spring, softball is the game. Physical Education classes use the football field and old tires for bases

Cronin, Hoffman introduce sports

The physical education department was directed by Mr. Patrick Cronin, who along with Mr. James Hoffman taught all the physical education classes.

Beginning the year with exercises and football, the classes continued with introductions to other sports, including basketball and tumbling in the winter and softball and punchbaseball in the spring.

Parallel bars were used for demonstrations and practice of gymnastics in the gym and most games except basketball, dodgeball and punchbaseball were played on the football field.

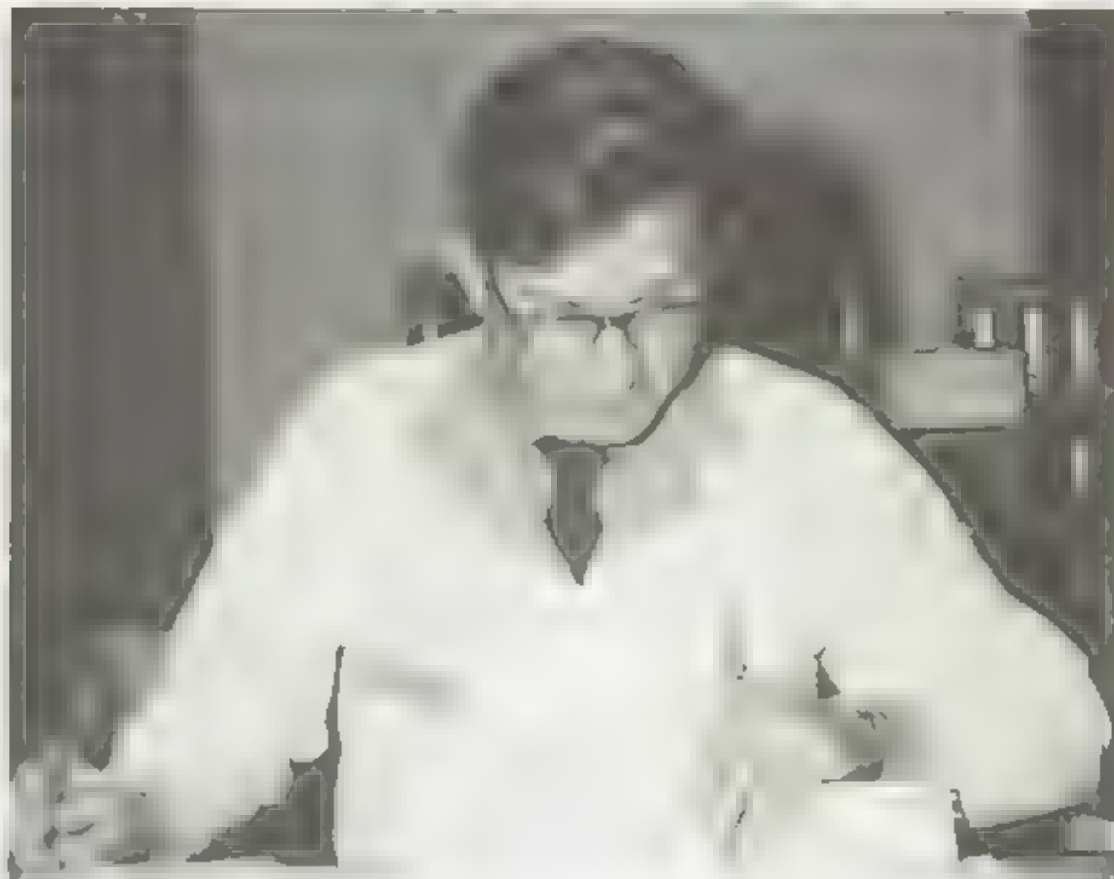

Mr. Patrick Cronin is the head of the physical education department and holds a B.S. degree from St. Benedict's College. Mr. Cronin is head football coach of the St. Rita Mustangs city champions.

Mr. James Hoffman was an assistant football coach and taught Physical Education. He holds a B.S. degree from University of Illinois and enjoys all types of athletics.

Fr. Casimir Pazera was data center director and team-taught Data Processing with Bro. Joseph Fisher. He was also prior of the St. Rita in

Bro. Joseph Fisher, grading IBM jobs in the data center, holds a B.S. degree from St. Louis State University in Wisconsin and taught Data Processing with Fr. Casimir Pazera. He was also band moderator and taught Art Survey.

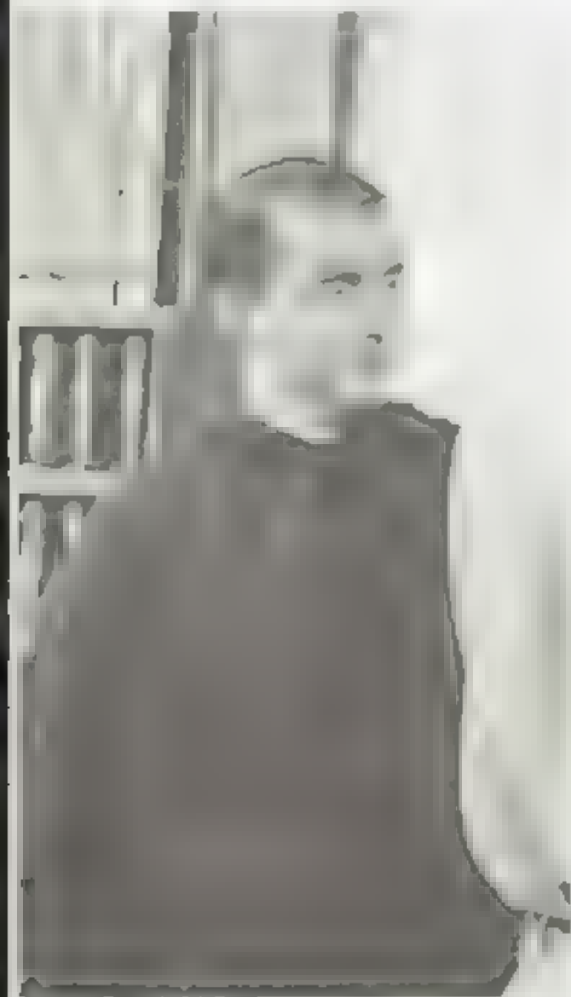

Data center buys new computer

The data processing center, bossed by Fr. Casimir Pazera, provided services to the administration, guidance department and teaching faculty through its IBM printing and processing equipment using an IBM Collator, card punch, deleter, and burster along with the recently acquired Bendix G-15D which was previously used for engineering computations.

The new computer aided the introduction to data processing class

was taught by Fr. Pazera and Bro. Joseph Fisher. Spending the last quarter of the school year on computers, the data classes paved the way for junior and senior math classes who are expected to use the computer for problem solving.

Bro. Martin Shaw aided in the running of the center and in the compiling of the general information and statistics that were used by the staff in counseling and planning.

Bro. Martin, explaining IBM accounting machine to Ed Dawson, worked in the data center preparing information and statistics.

Right: Data students practice operating an IBM 413 accounting machine.

Industrial Arts give tech training

The Industrial Arts department provided practical and technical courses for college preparatory students who required technical grounding for immediate training after high school, or students who wished mechanical drawing and technological background for college study in engineering and technology.

Freshmen began their study with General Shop and Mechanical Drawing I, being introduced to basic tools and projects in wood, plastic, and formica in the first semester, and learning how to draw and read blueprints in the second semester.

Automotives, in its last year was the sophomore course, providing a practical and text book introduction into automobile engineering and design. Juniors took Wood Shop, an advanced continuation of General Shop or Mechanical Drawing II.

Mr. Florian Dodge taught Mechanical Drawing I and has been at St. Rita since 1954. He has a B.S. in industrial arts from Northern Illinois University and enjoys sports.

Mr. James Economakos, pointing out the flaws in a student-made lamp, has been at St. Rita since 1954. He taught General Shop and Wood Shop.

General Shop students are introduced to basic tools, like the plane, and their uses in simple wood-working projects.

Mr. Desmond Coleman, Administrative Assistant, has been at St. Rita for forty-three years. He holds a M.A. degree from De Paul University and taught Algebra I. Mr. Coleman is a Frater Ordinis of the Order of St. Augustine.

Math uses tapes, trips

A "sight and sound" approach highlighted freshman math courses, according to math department chairman Mr. Norbert Lasky. Freshmen teachers of Algebra and remedial Algebra I tried cassette tapes and films with corresponding workbooks and practice problems to get away from the "right out of the book" techniques and break away from usual classroom routine.

Selected sophomore Geometry classes and senior Math Analysis and Trigonometry went on field trips to the Museum of Science and Industry to view special math project exhibits. Teachers then required a report on a project that a student found especially interesting. Mr. Lasky hoped that these trips would encourage student math projects in future school science fairs.

Juniors continued with a study of Algebra II and Trigonometry, but going deeper into trig for better preparation for Precalculus which this year was the senior honors math course.

Mr. Norbert Lasky, chairman of the math department at St. Rita, holds a B.S. degree from Loyola University and taught Geometry.

Right Mr. Bernard Kilf taught Algebra I, Algebra II, Trigonometry, Math Analysis and Precalculus this year. He holds a B.A. degree from Loyola University and was treasurer of the St. Rita Teacher's Association.

Below Fr. Thomas Van Thienen holds a Doctorandus degree from the State University of Utrecht in Holland and taught Algebra I. Fr. Van Thienen was also in charge of the book room.

Above Mr. Robert Lipinski taught Algebra I and II and holds a B.S. degree from University of Illinois Chicago Circle Campus. He was also an assistant track coach.

Left Mr. Paul Glazar held a B.S. degree from Illinois Benedictine College and taught Algebra I, Geometry and Math Analysis. He was secretary of the St. Rita Teacher's Association and also golf team coach.

Left Fr. Robert Chrupka taught Algebra II and holds a M.A. degree from the Augustinian College in Washington, D.C. In his free time he was interested in sociology, ecology and psychology.

Above Mr. James Crimmins was in his second year at St. Rita and taught Algebra I. He holds a B.A. degree from University of Illinois, Chicago Circle Campus.

Left Mr. John Erb was in his third year at St. Rita and second year as Vice-Principal of Activities. He holds a B.A. degree from the University of Detroit and taught Geometry.

Above: Mr. Robert Glascott, a member of the Business department, has been teaching at St. Rita since 1969. Besides his Accounting I and Marketing classes, he is a varsity football coach. He has a B.S. degree from Northern Michigan University.

Above: Mr. Richard Grill, a member of the Business department since 1968, teaches Consumer Economics and Typing I and II. Mr. Grill has a B.S. degree in education from Chicago State College.

At right: A member of the Business and Social Studies department, Mr. Eugene Farrell has been at St. Rita for 5 years. He teaches Business Law, Economics, Marketing, and American Government. Mr. Farrell has a B.B.A. from the University of Notre Dame.

Stock club speakers add practice to theory

The business department, headed by Mr. August Jeffrey, did not change any of their North Central Association-commended courses but extended their program into extra-curricular activities with the organizing of a Stock Club moderated by Mr. Richard Grill. Members of the Stock Club were given \$20,000 of imaginary money to invest in the stock market, keeping track of the profits and losses as well as discussing investment techniques.

In the classroom, guest speakers like the vice-president of Republic Savings and Loan, and stock brokers made the classes of Consumer Economics for freshmen, Accounting I for sophomores, Typing I and II, Marketing, Business Law and Economics, Accounting II and a Federal Tax program for juniors and seniors "relate more to the present business world," according to Mr. Jeffrey.

Practical experience was the key to good course developing as many teachers worked part-time in banking or other aspects of the business world, bringing their experiences and situations into the classroom.

Above: Mr. August Jeffrey observes Bob Leinich's performance during a typing drill. Mr. Jeffrey is chairman of the Business department, and in addition to typing he teaches business law and economics. Mr. Jeffrey has a MSIR degree from Loyola University.

At left: Student practices what he has learned during typing class.

Speaker, tapes are language highlights

The language department directed by Mr. Gregory Pawlowski sponsored a special guest speaker for Spanish classes. Miss Martha McNutt, a teacher at Evans-ton Township High School who holds a M.A. degree in Spanish, lectured on bullfighting, demonstrating authentic materials. Miss McNutt became interested in bullfighting while visiting Spain and followed her interest into research membership of a bullfighting organization collecting bullfighting equipment and materials.

In French, Mr. Pawlowski and new teacher Mr. Guy Hofer, added tapes for listening comprehension based on the College Board Achievement test in French. For these tapes, the language department purchased a new stereo tape recorder.

German, still in a two-year program continued with study of German grammar and reading and also used English translations of German literature to help students get the meaning of German ideas.

Mr. Gregory Pawlowski was chairman of the foreign language department. He received his M.A. degree in French from the University of Chicago in May and taught at the University of Chicago. Besides teaching, Mr. Pawlowski was also a member of the American Foreign Language Association.

Mr. Guy Hofer was in his first year at S. R. Ta. He taught French I and II and Spanish I and II. He holds a B.S. degree from Lewis College and was an assistant teacher.

Bro. Mark Thedens taught Spanish I, II, and IV in the language department last year. As chairman of the music department, however, he also taught Music Survey and moderated the Chorus.

Fr. Ralph Grovinetti has been at St. Rita since 1945 and taught Theology I and Latin II, III and IV. He holds a B.A. degree from Villanova and moderated the bowling team.

Above: Mr. Victor Petro has been at St. Rita since 1952 and taught Spanish I. He holds a B.A. degree from St. Michael's College and was interested in fishing.

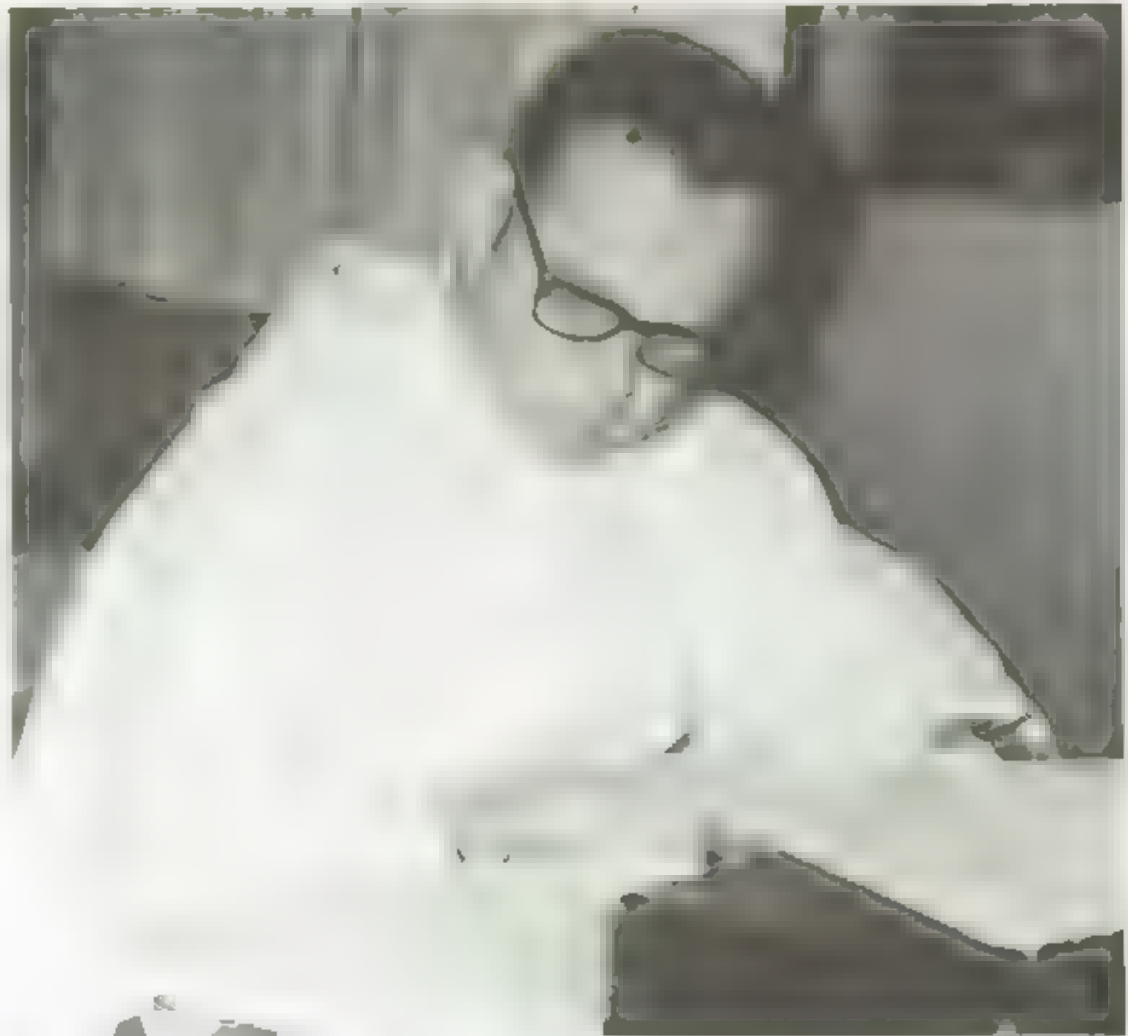

Left: Mr. Raymond Matkovich taught Spanish II and holds a M.A. degree from De Paul University. He is a member of the National Hispanic Society and was interested in hunting and fishing.

Spa makes lunch with max efficiency

The Mustang Spa cafeteria provided students who did not bring lunches during the year with hot lunches consisting of hot dogs, hamburgers, pizzas, beef sandwiches and a daily lunchroom special which varied from chili to chop suey.

Most of the lunchroom foods are bought pre-cooked and frozen "to help cut down the time needed to prepare the food and make serving 1,800 St. Rita students easier," according to Bro. Daniel, lunchroom supervisor.

Student cafeteria workers were paid \$100's worth of lunch for selling snack foods such as potato chips and ice cream at the beginning of their lunch periods. Student helpers were also directly involved in 'behind the counter' work helping to prepare and distribute the food, and clean up for the next lunch period.

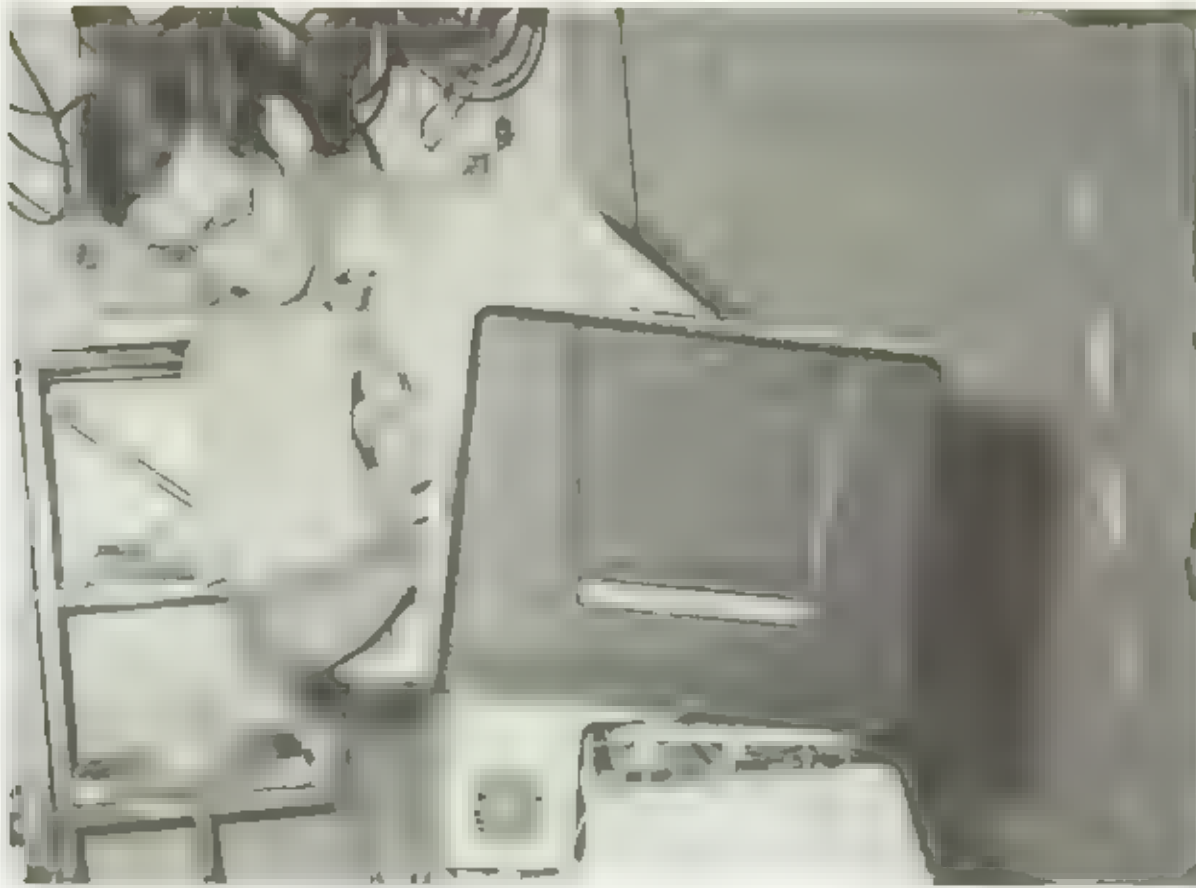

Bro. Daniel has been at St. Rita since 1966 and is responsible for the menus and cafeteria bookkeeping.

Mrs. Rita Casmer was in her first year at St. Rita and helped run the candy counter during the lunch periods.

Mrs. Shirley Mingey has been at St. Rita since 1966. Before working in the cafeteria, Mrs. Mingey was a switchboard operator in the Monastery.

Mr. John Stobba who came to St. Rita in 1957 was head of the Audio-Visual department and also chapel Sacristan. He is interested in travel, archeology, and American Indians.

A-V department wakes interest with films, maps

The demands placed on the Audio-Visual department have increased greatly as both the faculty and students make an extensive use of the visual aids material, according to Mr. John Stobba O.S.A. chairman of the department.

The department furnished specific materials requested by the faculty from both the department stocks and outside sources, hoping to stimulate interest in the curriculum and help students understand their courses better.

Phonograph records, filmstrips, movies, and maps were kept current through a steady influx of new materials, ordered by Mr. Stobba. Fifteen student aids worked under his direction, setting up, running and returning audio-visual aids requested by teachers.

Audio-visual helper Don Orth (right) checks out new projector before classroom use.

Steve Paczynski (below) coils extension cord needed to operate A-V equipment in a classroom.

Left: Fr. Bruno Szymusiak was a newcomer to St. Rita as head librarian. Instrumental in the reorganization of the library, he holds a M.S. degree in library science from Rosary College.

Below: Mrs. Lorraine Lococo has been the assistant librarian at St. Rita since 1966. Besides working in the library, Mrs. Lococo enjoys sewing, cooking, and reading.

Librarians add new books, weed out the out-of-date

Fr. Bruno Szymusiak, the new chief librarian and Mrs. Lorraine Lococo, the assistant librarian, worked to improve the St. Rita library, starting with the suggestions of last year's North Central Visitation Committee.

Old and inadequate materials strongly criticized by the North Central were weeded out and more than 450 volumes have been added, including a series on great authors and current occupational information. With these additions, the total volumes reached the 16,500 mark.

Special research classes were held in the library so that students could research term paper topics using the library's resources.

In Memoriam

Michael Virva was a popular and well-known student among faculty and other students, one who stood out to those who knew him as a leader and a true friend. In a school like St. Rita in which many students never come out of their shells, Michael Richard Virva lived . . . active in intramurals and interested in school work. He would have graduated in the upper quarter of his class and gone to college.

But death came to him without warning in the middle of life, at a senior prom picnic, among his friends.

Perhaps his memory is best complimented by what one person who knew him said at a Teens Encounter Christ rally only two days after his death, "I'd like to pray for a friend of mine, Mike Virva, who died. He was a good friend . . ."

Mustangs crash to second city title

The 1971 Mustang football team captured their second consecutive city championship and completed a streak of 20 consecutive victories, going undefeated in 13 games of this season and winning the last seven games of last year.

The year began with a search for a quarterback. By September, with the season about to begin, Bruce Strimel, a senior who had never seen a minute of varsity action, came out on top of the competition which included Greg Cozzi, Dave Skupien and Tim Brown. Strimel opened the season on the Astro Turf of Gately Stadium and had no problems, winning 36 to 8.

Loyola was the next victim of the Mustang attack. With Loyola ahead in the fourth quarter 12-6, halfback Bill Marek broke through for 65 yards to tie the game. The conversion was good and the Mustangs were 2-0.

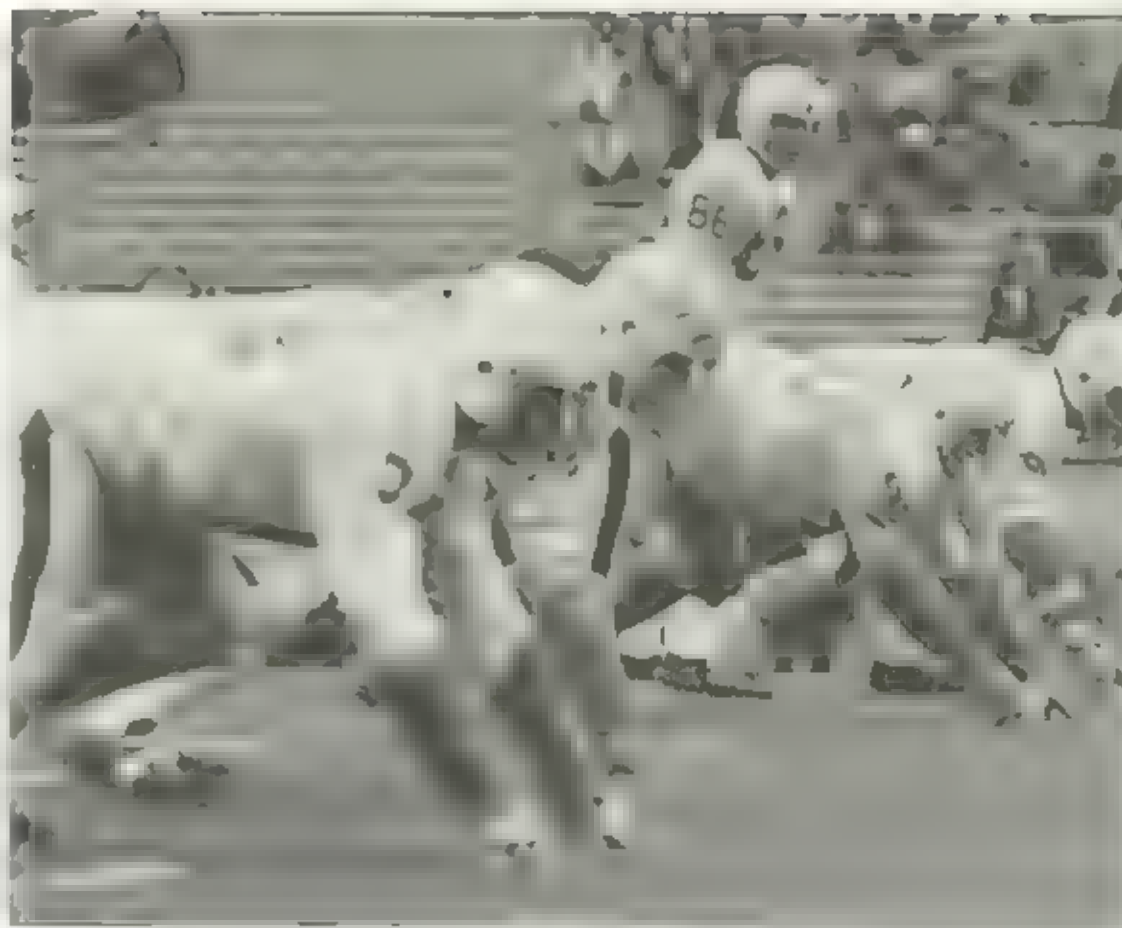

The rest of the season wasn't that close, with one-sided victories becoming a Mustang trademark. The second and third strings saw plenty of action with people like George Ross, Mike Strimel and Mike Wagner looking good on offense.

Mendel was the first opponent in the playoffs. The Mustangs held a 20-7 lead into the third quarter when Mendel's offense began to move. By the fourth quarter the Monarchs led 21-20. With two minutes left Marek carried a few of Mendel's players on his back to the 5 yard line, but was carried off the field with damaged ligaments. Angry, the Mustangs went over for the touchdown and pulled out another game.

Loyola was next, beating out Gordon Tech. Remembering the Marek-made upset of the season, they hoped to face Rita without him. Marek played, though, and in spite of a limp, scored two touchdowns. But Sherwin Hunt did most of the ball-carrying, racking up 226 yards in the 26-8 victory.

In the City Championship, Morgan Park, the Public League champions, were a 40 point underdog in the before-game predictions. Sherwin Hunt of Rita scored first, but at half the score was 6-6. Marek scored twice, one coming on an 85 yard dash that made it 18-6. Morgan Park struck back with a touchdown to make it 18-12, but couldn't get closer as Greg Cozzi deflected their last pass.

Greg Cozzi, Bob Jilek, John Hannigan, John Rock, Joe Norwick, Bill Marek and Dennis Lick were placed on the Catholic League First Team. On the Second Team was Sherwin Hunt, Paul Jasinski, Jack Passarello and Bob Eppenstein. Bill Marek was City game MVP, and MVP of the Catholic League and Chicago Area. Dennis Lick was MVP of the Catholic League title game.

CITY ALL STARS	4th Place			

(Note: Winner has lower score)

The St. Rita Varsity cross-country team won Rita's first cross-country trophy with a first place finish in the South Section Championship. This was the peak of Rita's season which was filled with other highlights, including John Eisenschenk's new record for the 3-mile run for the Catholic league, an undefeated season in dual meet competition, second place finish in the Midwest's Pius XI Invitational, first place at South Section and close second at the Catholic League Championship. All the league coaches voted him this year's "Most Valuable Runner of the League." He also was awarded the school's outstanding athlete trophy by the local Lion's Club and received the gold athletic graduation award.

The Varsity Team, John Eisenschenk, Bill Chon, Dan O'dekirk, Bill Guldan, Jim Rycek, Francis Rivera, and Joe Jackson, came in second for the coveted Catholic League Dual Meet record award. The team hit its peak at South Section with a win over rival St. Laurence, but later at the Catholic League Championship followed Loyola and Laurence for a close third. The team qualified, however, to enter the All-City meet where the top three teams of both the Public and Catholic Leagues compete for the city championship. Out of the field of six, Rita placed fourth in the city and overpowered St. Laurence for a team-termed "grudge" victory. The only sour point of the season came when junior Joe Jackson committed a foul to disqualify Rita in the Pius XI Invitational, thus overshadowing Eisenschenk's second place performance.

The Junior Varsity promises Rita a future with runners like Jim Rycek, who can varsity most of the time, Mike Ripoli, Ron Santos, Bob North, and Terry Foley. The J.V. also placed a strong second for their division in the Dual Meet record award with an 8-2 win-loss record in league competition.

Mitchell, Lick lead heavies in league upsets

Finishing the year with a 10-16 overall record, the St. Rita Heavyweight basketball team couldn't make it to the Catholic league but played the spoiler in the regular season. Losing their first two league games to St. Laurence and Mt. Carmel, the Mustangs came back around Carlyle Mitchell's rebounding (115 for the season) and junior Jim Czajkowski's sharp-shooting (158 total points for the season) but could not win until St. Laurence returned.

Dennis Lick back at center and Bruce Strimel at guard, returning from football, gave the team a lift, helping them to their first upset victory against St. Laurence, 56-53, behind Jim Stolspart's 16 points and Carlyle Mitchell's 13 rebounds and the defensive work of Dennis Lick who held the St. Laurence center to six points.

In the last game of the season, the Mustangs upset Mendel this time, winning 70-71.

Jim Czajkowski lead the team in free-throw shooting with 72% while Lick had the best field goal percentage — 58% (49 out of 84).

Buddy Stolspart drives around opposing on forward as Dennis Lick prepares to come in for rebound.

Lights finish even despite Pitonyak

Finishing with a 15-10 overall record, the Mustang lightweights couldn't continue their winning streak too far into the regular season. After beating Mt. Carmel in their first league game, the Mustangs lost their next two games, finally beating De La Salle and Mendel.

Captains Frank Algozino and Gary Pitonyak sparked the team, Pitonyak scoring with the league leaders and Algozino providing the rebounding (123 for the season). In the De La Salle game Pitonyak scored his high of 35 points and also adding 17 rebounds.

After beating Mt. Carmel, the lights lost to St. Laurence by two points (49-47) and then lost Leo despite the 15 points of sophomore guard Chefroni Cooper. Against De La Salle, though, the Mustangs romped 59-30 with Pitonyak scoring 21 points and everyone on the team playing. Mendel, however, put the pressure on in the last game of the season, winning a squeaker 58-57 and sticking the Mustangs with a 5-5 season record.

Flys retain league championship, Bantams struggle to finish ahead

The Flyweight Mustang Basketball Team lost only two of its ten league games in its successful defense of its championship title. Coach Nowak credits his team with consistent shooting and aggressive defense.

They averaged 49 points a game with the team averaging 37% from the floor and making 57% of their free throws. Dave Melcharek was high scorer with 87 points and, along with John Bonk, a 46% shooting average. Dan Byrne hit on 80% of his free throws and Tom Kelly led in rebounds.

The Bantams won eight out of eleven pre-league games but didn't keep their momentum into league competition, winning 4 of 10. The team averaged 41 points per game, shooting 33% from the floor. Chester Jakus and Mike Strimel averaged 39% on their shots. The team made 160 baskets, and 40 belonged to Tom Spatz who averaged almost 10 points a game. Chester Jakus and Mike Wagner led in rebounds and Marty Rauba was top man at the free throw line.

Leroy Nenza, Dennis Sweeney and Joe Chlebek check and compare scores during a game.

Varsity, J.V. grab Catholic titles

The St. Rita bowling team, led by Mike O'Connor, Ken Sobkowiak and Frank Macak, almost repeated their feat of a year ago when they won South Section, Catholic League and All Star Competition Championships.

They out-raced a strong Brother Rice team to take South Section but lost momentum during the All Star Competition, finishing fourth to Weber.

Weber was the opponent again when the two teams met at Waveland Lanes for the Catholic League title. Sobkowiak went into the match with the league's high game (237) and high series (621). But it was Mike O'Connor who did the heavy work, totaling a 626 series, and helped the team sweep all three games from Weber for the title.

The Junior-Varsity followed with a victory of their own at Waveland, overcoming a 100 pin deficit from their first game to defeat Gordon Tech for the Junior-Varsity Catholic League title.

Kuzio, Augustine, T. Lutz, T. Lamaster, Bukowy, M. Brady, D. Ozurski, R. Gracz, R. Sautkus, Manager M. Rendak, Head Coach T. Melant

Mustangs play Spoilers, but lose in playoffs

The St. Rita Mustang hockey team ruined a perfect Bro Rice season for the second year in a row, but again, couldn't come up with the playoff victories against Rice. In a carbon-copy of last season, the Mustangs used a last-minute surge to gain a play-off berth after a slow start.

It was a rough team in the semi-finals (Fenwick) and the Mustangs came through again, beating Fenwick 2-1, 2-1, a surprising feat after losing twice to Fenwick during the season. In the tight two games, the defensive unit shone with Tom Baskys putting out spectacularly in the goal. The second game was a particular battle, the winning goal finally coming on a penalty score by John Bukowy.

Bro. Rice came out mad in the finals. After losing their last game of the season to Rita after an undefeated 11 games (for the second time in as many years), the Crusaders didn't want any more upsets. In physical, hard-hitting games the Crusaders took the championship with two quick wins 4-0 and 4-1.

From the Mustangs, John Bukowy and Tom Baskys were named to the Catholic League All-Stars with Bukowy being named league Most Valuable Player for the second year in a row and Joe Augustine being voted "Best Defensive Player" by the team. Head coach Ted Melant was awarded the A. R. Lawless award as Coach of the Year for the second year in a row.

Bats lead way to title

The St. Rita Mustangs baseball team captured the Catholic League title with a 16-4 regular season record and a two-out-of-three steal from the North Section champs, the Loyola Ramblers.

A hard hitting ball team, the Mustangs scored as many as 13 runs against De La Salle pitchers in their bid for the playoffs and scored in the double figures four other times during the season. Their scoring attack was led by rightfielder Bruce Strimle, leftfielder John Hannigan (both on the team for his first year) and third baseman Rich Dziemiela.

Pitching was the team's real depth, however, as Tom Lunz, Steve Klemm, Glen Bylina and Ed Cappel returning after good seasons last year. Cappel was especially sharp during the playoffs, beating Loyola by himself in the second game (with hitting help from Lunz and Hannigan,) and relieving Klemm in the third game. The first game, with Lunz pitching, was played under protest, but with Cappel's pitching protests were necessary. The championship belonged to the Mustangs.

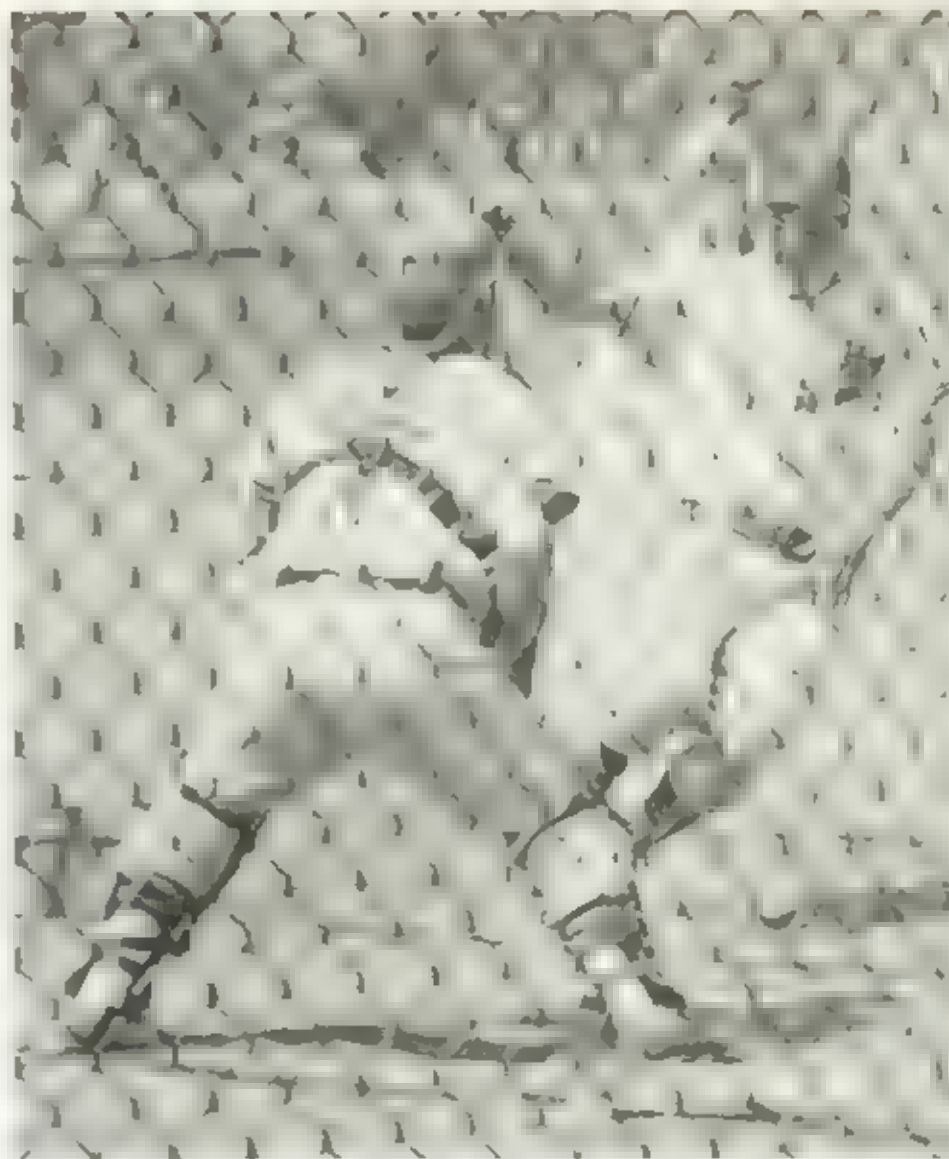

Coach Joseph Porrevecchio couldn't name the stars of the year "because the whole season was a great team effort."

Gary Placzowski makes the turn around first base after a shot to left.

Golfers fourth with Weber

The St. Rita varsity golf team played to a tie for fourth place in the Catholic golf league this year, beating Weber during the season but tying with them in total record.

Playing their home dual matches at Glen Eagles Country Club, the team also played at Palos Hills Country Club and White Pines Country Club where they defeated Weber.

The City match was held at Glen Eagles, and Tom Ekins, playing on his home ground, shot a 77, the best St. Rita score of the year. Bill Stalzar, Ken Dodge, Joe Augustine and Bob Schimanski also played in the City match. Tom Sapp and John Kernbower played on the varsity team during the season.

Joe O'Keeffe plans a putt that would give him a parred hole at Marquette Park.

Tom Sapp, clubs in hand, heads for a before match practice session.

ORGANIZATIONS

Ed Rudokas, photo editor, Len Strazewski, managing editor, Mark Kuzlik, copy editor, and Sigmund Eisenschenk, Advisor, select photographs that reflect the Yearbook's theme.

Award winning Cascian changes its 'style'

Mark Kuzlik and Bernie Tadda identify group pictures.

The fall delivery of the 1972 Cascian made possible a greater and more complete coverage of school sports and school activities. This yearbook had a new style of layouts in which each page was divided into three sections instead of two as in previous yearbooks.

The 1971 Cascian received a 1st class rating from the National Scholastic Press Assoc., and also three marks of distinction in the five areas in which the book was judged. The judging was based on the quality of photography, layout form, writing content, and organization around the theme.

The Cascian staff, Mr. Sigmund Eisenschenk, advisor; Len Strazewski, managing editor; and Mark Kuzlik, copy editor; received an amount of money from the school to be combined with another amount acquired from the selling of underclass pictures to finance a dark room. This sum of money was used for the purchasing of photographic chemicals and equipment. The darkroom was functional by February of 1972, and was used jointly by Cascian and Ritan photographers. The staff hoped to eliminate the need for a professional to cover small events. Mr. Eisenschenk said, "The staff and I hope that we can eventually do almost all of our own photography, because a darkroom offers a greater more spontaneous, and creative coverage of school events."

NHS strives for service — friendship

The National Honor Society was a service organization to honor students subject to the approval of the faculty. The society had as its goals fraternity and service to the school and community.

NHS members proctored freshman entrance exams, helped with freshman registration and orientation. Most projects served to satisfy both goals as members got to know each other better by being involved in academic projects as well as the mentioned and fun projects like the decoration of the gym for Homecoming.

Although the NHS was not able to get a day for its traditional dance used to raise money for a Easter vacation in Holland, Michigan, which was cancelled, the members got together to card parties at each others houses and for a Chicago Bulls basketball game. During the summer the group planned to go back together for a picnic.

Ritan breaks records, gets depth in news, letters

The Ritan, the St. Rita High School's student newspaper, had a record-breaking year, publishing the largest amount of issues (ten) and the largest individual issue (fourteen pages) again being rated first class by the National Scholastic Press Association.

Aiming for balanced coverage of school and related outside events, the Ritan worked to get inside the news more, finding out the "whys" of the facts. A letter column, "The Student Voice," provided a place where students could ask questions and get answers researched by the newspaper staff or just sound-off gripes.

Issue number two of the Ritan was devoted to Homecoming, at the request of the student council, and was used as publicity material for local girls' high schools, and to inform St. Rita students about the events and people of Homecoming, including Larry Lujak, radio disc-jockey, and the bands which appeared.

Issue nine was devoted largely to student council and senior class elections for the next year. Researched mainly by junior class staff members, the election material included the views and background of the top men in a junior-wide survey, as well as others who ran in the elections. This quantity of material led to the production of the largest Ritan in school history.

Team takes chess title — again

The St. Rita High School chess team Championship, defeating Weber in a tie-breaking playoff match. Having beaten Weber once during the season, the younger St. Rita team (having four underclassmen team members compared to Weber's all senior squad) felt that they could defeat Weber, but in the words of moderator Mr. Ronald Dvorak, "Senior Rich Grzeskiewicz personally produced the championship with his first win over the Weber top board, having lost and drawn with him in previous matches."

Grzeskiewicz finished with a combined record of 9 wins, 2 losses and 2 draws. Junior Bob Gleason finished third in the league with a 10-1-1 record, junior Thad Soprych finished 8-3-1, sophomore Vytas Juskeles had a 7-3-1 record, sophomore Ed Rojek was 5-5-0 and freshman Jim Brodecki had one win in his only team showing.

The chess club met on Tuesday and Thursday with member play based on a ladder-challenge system. The club also got together for other games of strategy, including 3D chess and soccer ball.

K of A provides service, friends for community

The Knights of Augustine, a modern fraternity associated with the Augustinian order, dedicated themselves to Christian living through association with the order and service to the community.

Moderated by Bro. Martin, the K of A worked at the Miseracordia home for retarded children and helped the Lyon's Club on their annual "Candy Day for the Blind."

Also dedicated to knowing each other, the K of A spent a week at Augustinian Prep Seminary in Holland, Michigan, and held open gyms for members.

The Knights of Augustine also planned a dance and allowed members to buy fraternity sweaters.

Religious, pop performances highlight chorus year

Music lovers of all ages respond enthusiastically to a chorus production

The St. Rita Chorus, moderated by Brother Mark Thedens, acted as more than just a performing group. To help pay for music, equipment repair and books, the chorus sponsored two dances on September 19 and April 29, which added to the two dollar dues paid by each member.

The chorus provided music for the alumni mass on November 28, and Christmas mass in the St. Rita school chapel, attended by members of the community. Along with these services the chorus performed their Spring Concert in the St. Rita gym and the annual Band and Chorus show.

Officers Robert Raica (president), Thomas Born (vice-president), Thomas Firmino (Secretary), and Daniel Pletke and Dave Mysliwiec (music coordinators), planned most of the events, including gym nights held during the year for chorus members.

At left, Jim Berryhill, Ed Kammerer and Cliff Engler, chorus members and members of the "Chosen Few" folk group, perform for spring show.

Below: Top row: Denny Szczepaniak, John Musalo, Matt Betz, Bob Raica, Randy Peake, Rick Almendarez, Tom Handzik, Greg Senesi, John Hucwinski, Manny Martinez. Front row: Tom McArdle, Dave Soava, Bill Lackner, Mike Wilson, Pete Tobar, Mike Chrest, Jim Berryhill, Wally Szvelko, Jonas Cepkauskas, Cliff Engler.

Pep Club helps make spirit, rallies work

The St. Rita Pep Club contributed services of organization and enthusiasm to all athletic events during the school year as well as helping with and organizing the football Homecoming and the first Basketball Weekend.

The moderator, Fr. Donald Lewandowski, President Thomas Seymour, Vice-president James Berryhill, Edward Kammerer, Treasurer Chester Mastalerz and Sergeant-at-Arms Daniel Feeley planned the Cheerleader-Faculty volleyball game and sponsored buses to away from home sports events. The Pep Club also sponsored a dance, using the profits to help pay off outstanding debts.

Pep Club members were rewarded for their participation and enthusiasm and participation with major or minor letters for junior, senior and sophomore members and patches for freshmen.

Cheerleaders yell for victories

The Cheerleaders, captained by Jo Ann Perusina, led the cheers of encouragement to the football champion St. Rita Mustangs and the lights and heavies basketball teams. Practicing in the gym and on their own, the cheerleaders performed not only at athletic events but also at the many pep rallies held during the year for the football and basketball teams.

Featured in the first annual Basketball Weekend, the girls came up with special cheers for the basketball season. The cheerleaders also played the St. Rita faculty in a volleyball match sponsored by the Pep Club. There was a large student turnout for the faculty victory, disputed on the basis of poor score-keeping.

President of the Student Council Mike Georgopolos (left) looks over announcements with Activities Director John Erb

Surveys help council to get new 'standards'

The Student Council, official representative body for St. Rita students, accomplished a major change in the St. Rita dress code, forming new "Standards of Appearance," which eliminated ruling on hair length and facial hair. Utilizing student surveys, the council, headed by Mike Georgopolos and moderated by Mr. John Erb, vice-principal of activities, produced information regarding dress and convinced a majority of the administration.

The council met regularly to discuss future events with class officers planning the proms and working on Homecoming, a student council event.

Sophomores won an agreement that allowed sophomores to buy class rings before junior year.

Paul Glazar, secretary

Mr. Robert Kopecky, president, and Mr. John Erb, vice-president, preside at a meeting of the Teachers Association

Teachers Association provides open lines of communication

The St. Rita Teachers Association was formed to provide a unified voice for the faculty and open lines of communication between faculty members. The regular Friday afternoons were open and the merit and means of implementing and supporting academic programs were discussed. Various committees are primarily responsible for the detail work and research needed to work out and recommend new programs for the school, community, and the curriculum. Some major proposals involved changing the bell schedules, starting times, and home room periods. As a result, classes in 1972 and '73 will begin at 8:30 and school will end at 2:30 instead of 3 o'clock. Formal meetings are not the only times the Association got together. Its most popular meeting was at Glen Eagles Country Club for the annual faculty golf outing.

Bernard Kill, treasurer

Father's Club officers: Fr. William Thomas, Moderator, Anthony Rock, Secretary, Fr. William Thomas, Treasurer, Charles M. O'Hara, President, Wendy Rock, Treasurer, Walter O'Hara, Vice President, Ed Baskys, Financial Secretary

Father's Club members film football games for team study

Father's Club acts to serve St. Rita

Continuing to devote time and energy to St. Rita High School, the Father's Club, moderated by Fr. William Thomas, ushered at football and basketball games, sponsored several dances and held a Thanksgiving Turkey Raffle. Proceeds from these events went into the Father's Club fund which pays the tuition of any student whose father has died while a member of the club.

Recognizing student efforts in studies and athletics, the Father's Club awarded twenty-five dollars to the top academic student of each class each semester and sponsored the Annual Football Banquet.

Mother's speakers include Irene Hughes

Mother's Club officers, Mrs. Charles Seivert, president, Mrs. Joseph O'Keefe, vice-president; Mrs. Joseph Burton, recording secretary; Mrs. David Steffenhagen, corresponding secretary; Mrs. Clarence Sharp, financial secretary; Mrs. Harold Cappel, treasurer; and Fr. Dominic Caniglia, moderator, planned monthly meetings with guest speakers which this year included clairvoyant Irene Hughes and Mrs. Harold Sabath.

Besides their own meetings, the Mother's Club also organized social events like the Hearts and Heros Party, the Gypsy Dance and a Night at the Races. Money received from these events went to pay for special projects which this year included giving money to Fr. Casmir Pazera for a new copier and computer for the St. Rita Data Center. Mrs. John Buckley was named Mother of the Year by the organization for her outstanding work.

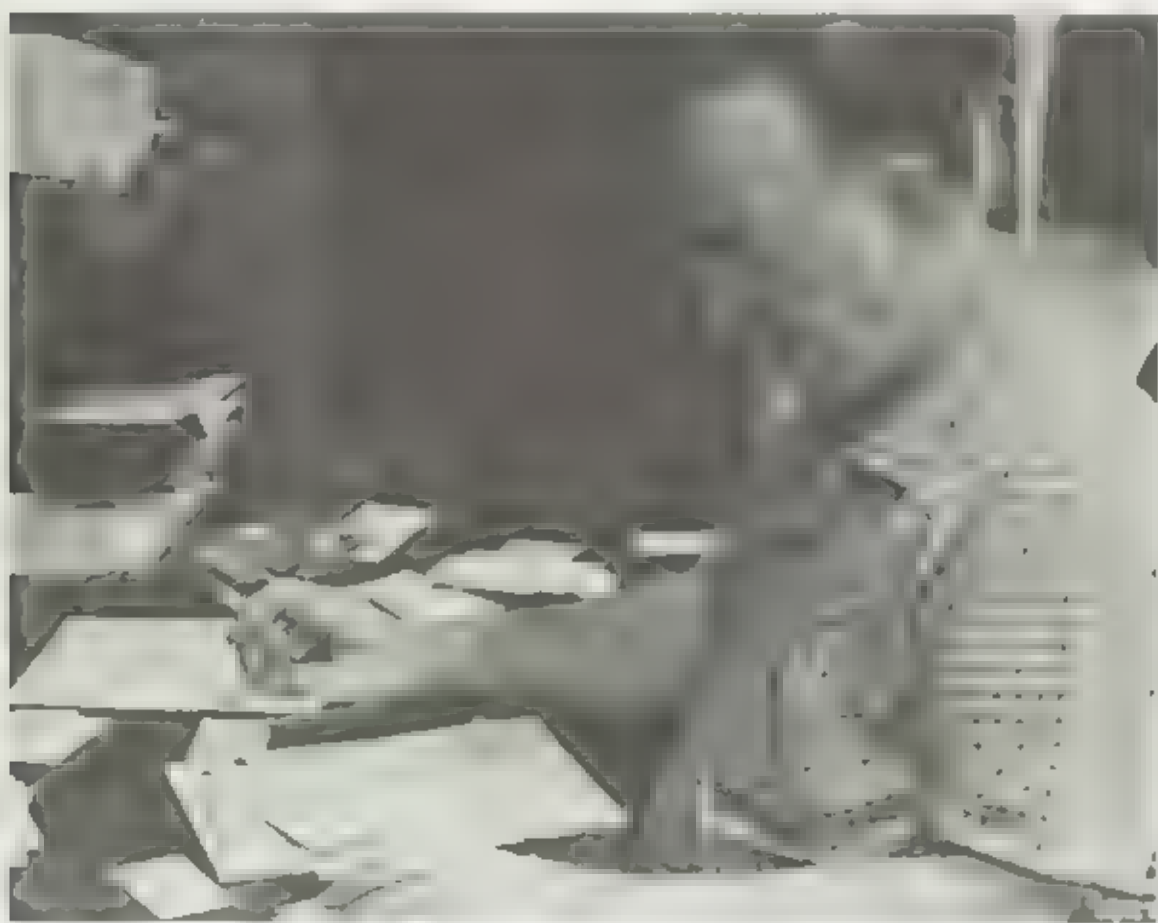

Mrs. Lorraine Kipp, Mrs. Phylis Parello and Mrs. Inez Cappel count the election votes for the Mother's Club officers for 1972-73.

Mother's Club Officers stand: Mrs. Joseph O'Keefe, Mrs. Phylis Parello, Mrs. John Buckley, Mrs. David Steffenhagen, Mrs. Clarence Sharp, Mrs. Harold Cappel, Mrs. Charles Seivert (Pres.), Mrs. Florence Brady, Mrs. Mildred Olahava, Mrs. Eileen Loye. The St Rita Alumni committee prepares for the annual Homecoming Dinner Dance at Ridge Country Club, October 9th. Seated Harry Sibert, Rev Thomas Newman, alumni members Fred K. Nibbeling, Robert J. Ziegler, Alvin A. Ziegler, Stanley A. Ziegler, Charles R. Ziegler, Mrs. Mary Ann Ziegler, Richard Kress.

*Alumni Assoc.
keeps growing*

The St. Rita Alumni Association which is the traditional organizer of the football team banquet and alumni dinner dance, continued to re-organize itself under the second year leadership of Fr. Thomas McGowan. Operating from the Alumni Office in the St. Rita monastery, Fr. McGowan, aided by representatives of most graduating classes, put on a drive for subscriptions to the revived Alumni Newsletter, and sought the new addresses of old alumni who were out of touch. Alumni activities gained in support and organization from old and new alumni encouraged to support the association.

Homecoming festivities are wild, traditional

Homecoming parade of floats and decorated cars come down Western Avenue from Maria High School

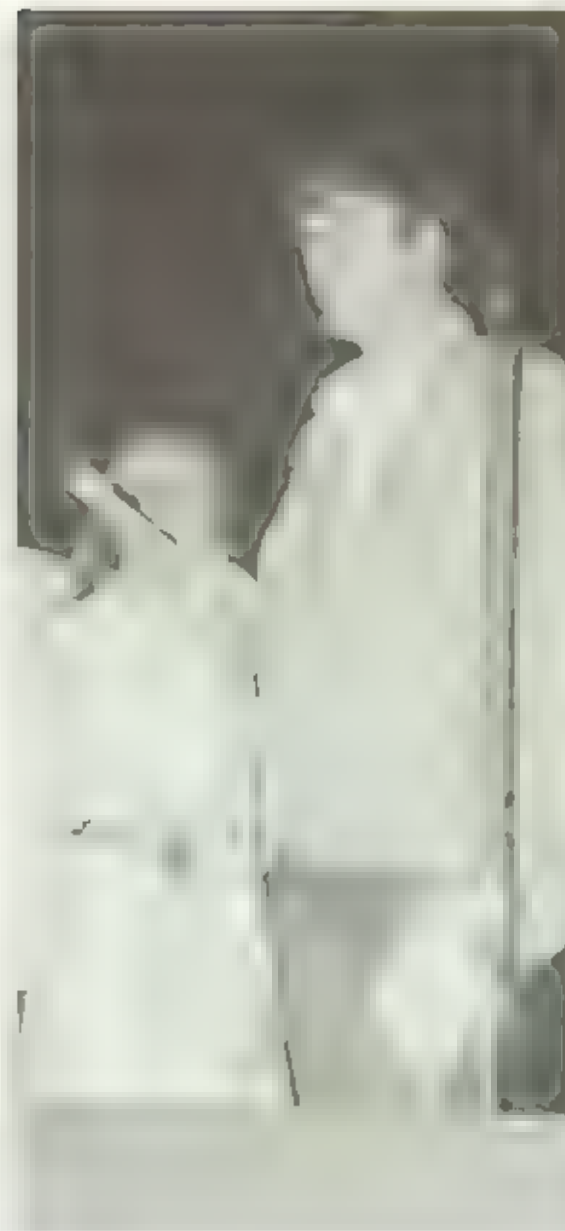

Ken Schick, vice president, leads St. Rita fight song at Homecoming pep rally

Mary Eileen Bingham received traditional roses and crown when escorted John Dalcamo as court couple

KEO Speedwagon Friday homecoming rally band belts out their closing song, "Sympathy For the Devil."

Disc jockey Larry Lujak pep rally emcee in front of homecoming queen Debbie Gault.

Lujak, victory, music, highlight Homecoming

The 1972 Homecoming Weekend was planned by a special student committee of Mike Georgopolos, Tom Seymour, Tony Sazunic, Chester Mastalarz, Ken Dodge, Tom Firreno, Ray Green, Bob Raica, and Jim Kucafa, splitting up to work on each day.

The Friday night rally featured Larry Lujak, WLS disc jockey as emcee and KEO Speedwagon, a high-energy rock group from Champaign, Ill. Good stage lighting missing in previous years, helped the show, along with Lujak's wise-cracks which reached their mocking peak during the closing fireworks display.

The Saturday night dance, featuring Morning After, a local group, was highlighted by the crowning of Mary Eileen Bingham, a Ritanette, as Homecoming Queen.

Sunday's activities started with the traditional float parade from Maria High School to the St. Rita Stadium. Queen Bingham and her court riding in convertibles leading an array of floats and cars decorated for the occasion. The football team victory over the St. Laurence Vikings heightened the excitement of the evening Victory dance, featuring Happy Day, playing their version of the "History of Rock," to a capacity audience.

Girls, good bands mark dances

Dances fulfilled the traditional schedule this year with a couple of big exceptions. The first semi-formal Christmas dance was held, planned by Tom Seymour, Jim Kucala and Ken Dodge. Hoping to make the dance a success and a tradition, the planners invited all classes and hired the rock group "Looking Glass."

Another tradition was started with the "1st Annual Basketball Weekend," a sort of basketball homecoming planned by the Pep Club. Band "Haymarket Riot" was the big music attraction.

Father's Club dances, usually the mainstay of the year, had troubles as twice bands did not appear for the dance. Re-scheduling of those dances canceled out the usual National Honor Society Dance.

The "Company," a local group of young folk artists, put on St. Rita's first benefit hootenany, applying the money to the Harold Drumm Fund and Misericordia Home for Retarded Children.

Seniors, juniors return to the Bahamas, Colorado

Seniors, parents and chaperones met early Tuesday morning, April 4th, to begin a tour that carried them through the blue waters and warm sun around the Bahama Islands and the shores of Miami Beach. A 747 Delta Flight carries them to Miami and the waiting cruise ship, the M.V. Freeport. The ship served as transportation and hotel for the senior crew as they toured Freeport and Nassau in 4 days and 3 nights.

Brightening up the cruise were girls from the Milwaukee area, also on tour and an 18-year-old drinking age, until the boat docked in Miami. Miami offered time to unwind, ride rented motorcycles and swim in the Sheridan Beach Hotel pool. Saturday evening, a group of students and chaperones went to take in the shows of the area including the "5th Dimension" music group.

Rain cancelled the Sunday Seaquarium tour, so after a McDonald's lunch aboard buses, the group took off for Chicago which was experiencing record snow and cold weather.

A chartered bus left St. Rita and the parents of juniors on its way to a five day Colorado vacation early on the Monday after Easter. A TWA flight from O'Hare field dropped the Rita tour in Denver by 11:30 A.M. the same morning (after gaining an hour). After landing, they bused to Estes Park and toured Rocky Mt. National Park. Wednesday was filled with a tour of the Air Force Academy in Colorado Springs and a look at nearby Pike's Peak.

The Flying W Ranch hosted the St. Rita group, providing dinner and a country and western show. That was the last stop before returning to Denver, home of the U.S. Mint on Friday. The mint was the highlight of the bus tour of the city before returning to the airport for the trip home.

Take-off was delayed, however, because while weather was good in Denver, Chicago was snowbound. Between bussing and "stacking" delays the vacationers didn't return to Rita until 2:30 A.M.

Illinois State Scholars Front row: Glenn Bylina, Ed Gronkowski, Tom Corcoran, Steve Bogira, John Wojcik. Rita scores with state scholars

St. Rita students again placed strongly in state and national exams with forty-four students receiving Illinois State Scholarships and three students receiving National Merit Letters of Commendations, namely Kenneth Dodge, Clifford Englert, and Leonard Strazewski.

John Eisenschenk and Kenneth Dodge shared the honors at the local Lyon's Club luncheon, Eisenschenk as best athlete and Dodge as top student of St. Rita High School.

The St. Rita Fathers' Club recognized the efforts of outstanding students with their Heenev Scholarship, which gives a twenty-five dollar award to the highest rank members of each class at each semester. Other students who hold "A" averages are placed on the Gold Honor Roll.

Freshmen Gold Honors. Front row: James Czuprynski, Donald Dobes, Gregory Cwik. Second row: James Dewinski, Michael Hannigan, Jeff Tuchowski. Back row: John Sitasz, Jose Valdes, Mike Clarke, Stanley Jozefiak.

Class rivalry, competition, spark intramural sports

Head basketball coach Robert Kopecky single handedly organized an intramurals program that ran from September to May. Most major sports were represented: football in the fall, basketball in the winter and softball in the spring. The basketball free-throw contest, won by Ed Cappel and Zig Mikusis was an added attraction. Games were scheduled in the lunch periods with the exception of the championship games which were held after school. The basketball championship was held in the gym, in the evening — a first for the St. Rita intramurals program.

Intramural bowling was directed by Fr. Ralph Giovenetti. Every Thursday competition was held at the Gage Park Bowling Lanes, with students competing for patches and trophies which were awarded at the traditional bowling banquet held in the cafeteria.

Juniors dance to "Looking Glass"

The junior prom was held at the Beverly House on May 5, 1972. Juniors and their dates, chaperoned by St. Rita faculty, danced to the music of the rock group "Looking Glass," a band that impressed the junior class officers who planned the event when "Looking Glass" made their first St. Rita appearance at the Basketball Weekend dance. The officers switched to the Beverly House this year for its reputed good atmosphere and fine food.

Henning's band played the mood at senior prom

The Senior Prom was held at the M&M Club at the Pick Congress Hotel with the Leo Hennings Orchestra providing some traditional slow mood music and Haymarket Band playing the evening's quota of rock. The prom price included a roast beef au jus dinner, prom ticket and a souvenir brandy glass. The theme "Where do we go from here" was derived from a song by the rock group "Chicago".

Students address grads

The return of student speakers marked the 1972 graduation exercises held May 31 1972 at St. Rita parish church at 63rd and Washtenaw Avenue

Speaking to 428 other seniors, Jim Geleta, co-winner of the speech competition held during the school year, opened the ceremonies with a welcoming speech. Very Reverend Raymond Ryan, O.S.A., Augustinian Provincial, continued the ceremonies by delivering the traditional commencement address. After a reading of the graduates' names Fr. Ryan assisted with the distribution of school medals and awards, from outstanding scholar to outstanding service.

Tom Seymour, the other student speaker, delivered the farewell address, asking the question "How do you say good-bye?" and closing the ceremony.

Diplomas were not given out until the next day when the graduates reported back to school to receive their report cards.
